THE JOURNEY

Welcome to Renfe's Luxury Trains. Our trains are authentic palaces in motion where you will enjoy the constant care of our crew, the elegance and comfort of a luxury train, and the pleasure of a journey in which you will only have to worry about making the most of every moment and every destination.

During the journey, the train will become a hotel in motion, where the landscape that unfolds in front of the windows changes, featuring unique views at every moment, offering a travel experience unlike any other.

Each day will begin with an exquisite à la carte breakfast and buffet. Then, the program of tours, visits to museums, monuments and shows will begin always accompanied by our multilingual guides. Our private coach will transport us comfortably to each of the tour's points of interest.

When evening falls, after dinner, parties and shows are held on board, featuring several live performances throughout the journey.

You can also enjoy a quiet drink in the spectacular lounges or go for a stroll around the town we are visiting. The train will remain at the station overnight until the following morning, so you can rest peacefully.

Lunches and dinners may be served on board the train, depending on the visits scheduled for each day, or in selected restaurants. All breakfasts are served on board the train.

Select gastronomy has been chosen for these trips, combining the most prestigious restaurants along the route and award-winning cuisine on board the train.

*A journey of glamour,
scenery, culture, and beauty
that will amaze you*

The Transcantábrico Gran Lujo is one of the most exclusive and luxurious trains in the world.

On board this train we will enjoy nature in all its splendour, from high mountains, passing along valleys and riverbanks until we reach the Bay of Biscay.

ACCOMMODATION

The Transcantábrico Gran Lujo is one of the most luxurious trains in the world. Its Grand Deluxe Suites are designed for rest and intimacy. By having only 14 Suites spread over 7 cars, spaciousness, comfort, and exclusivity are guaranteed.

Each suite can be used in single, double or triple occupancy. This Grand Deluxe Suite is a spacious room, decorated in wood and adorned with exclusive details. It consists of a lounge, bedroom and private bathroom.

The sleeping car features a large single bed or twin beds and a wardrobe, while the lounge area has a comfortable sofa (which can be converted into a bed), luggage rack, desk, safe, minibar, music system, adjustable air conditioning, multimedia computer with Internet access and internal telephone. All suites have a private, spacious and comfortable bathroom, with a shower, hairdryer and varied set of welcome items and toiletries.

COMMON LOUNGES

These are original 1923 Pullman cars, real railway gems, specially designed and decorated for the Transcantábrico Gran Lujo.

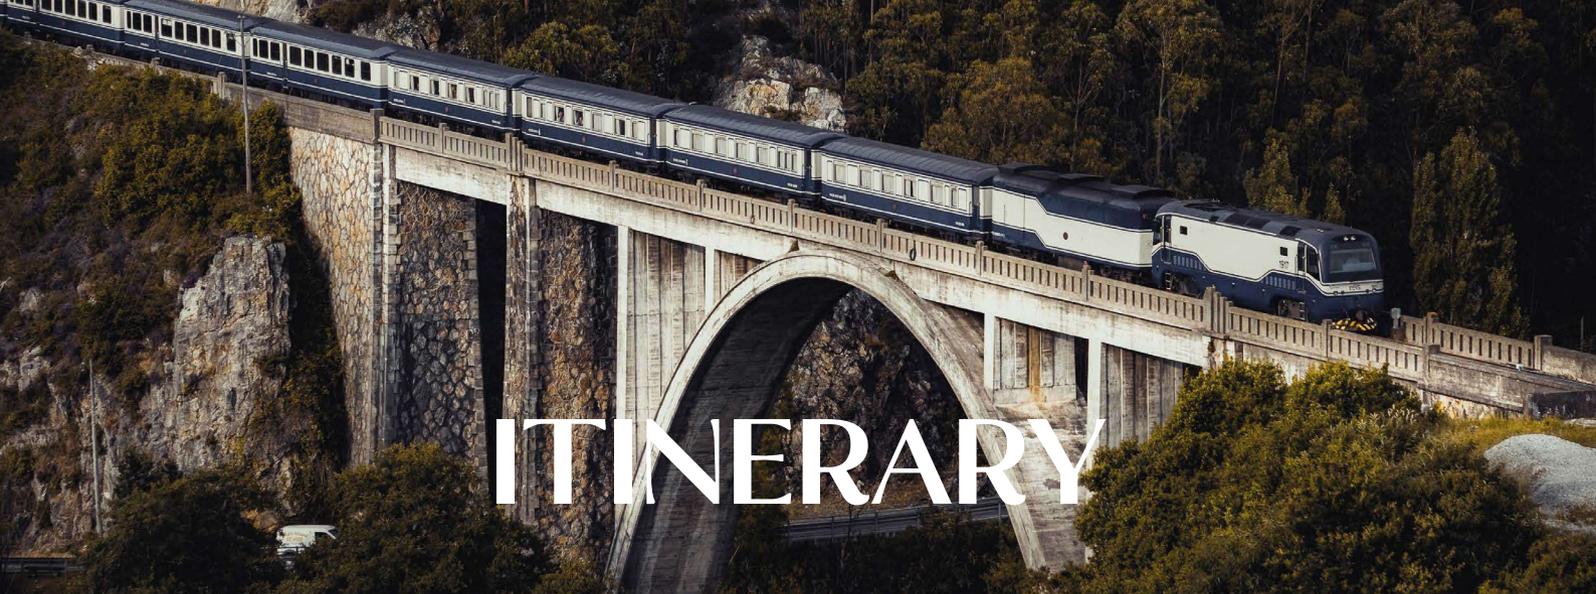

À la carte breakfasts are served daily in these common areas. In addition, in its dining rooms you can savour the best gastronomy in the region. The bar will be available at any time you need it.

In the lounges you will find national and international newspapers, tablets, video library, library and board games. You can relax in the panoramic lounge, have an aperitif in the tea-room or enjoy a lively evening in our pub car, featuring live music and performances every evening.

The crew will be at your disposal throughout the journey.

*A journey to the Belle Époque
of exquisiteness and sophistication
with today's technology*

The Al Ándalus Train is not just one of the world's most luxurious and spacious tourist trains, but is also a real railway gem, capable of taking passengers back to the sophisticated era of the Belle Époque on every trip.

ACCOMMODATION

The Al Ándalus Train has two types of accommodation.

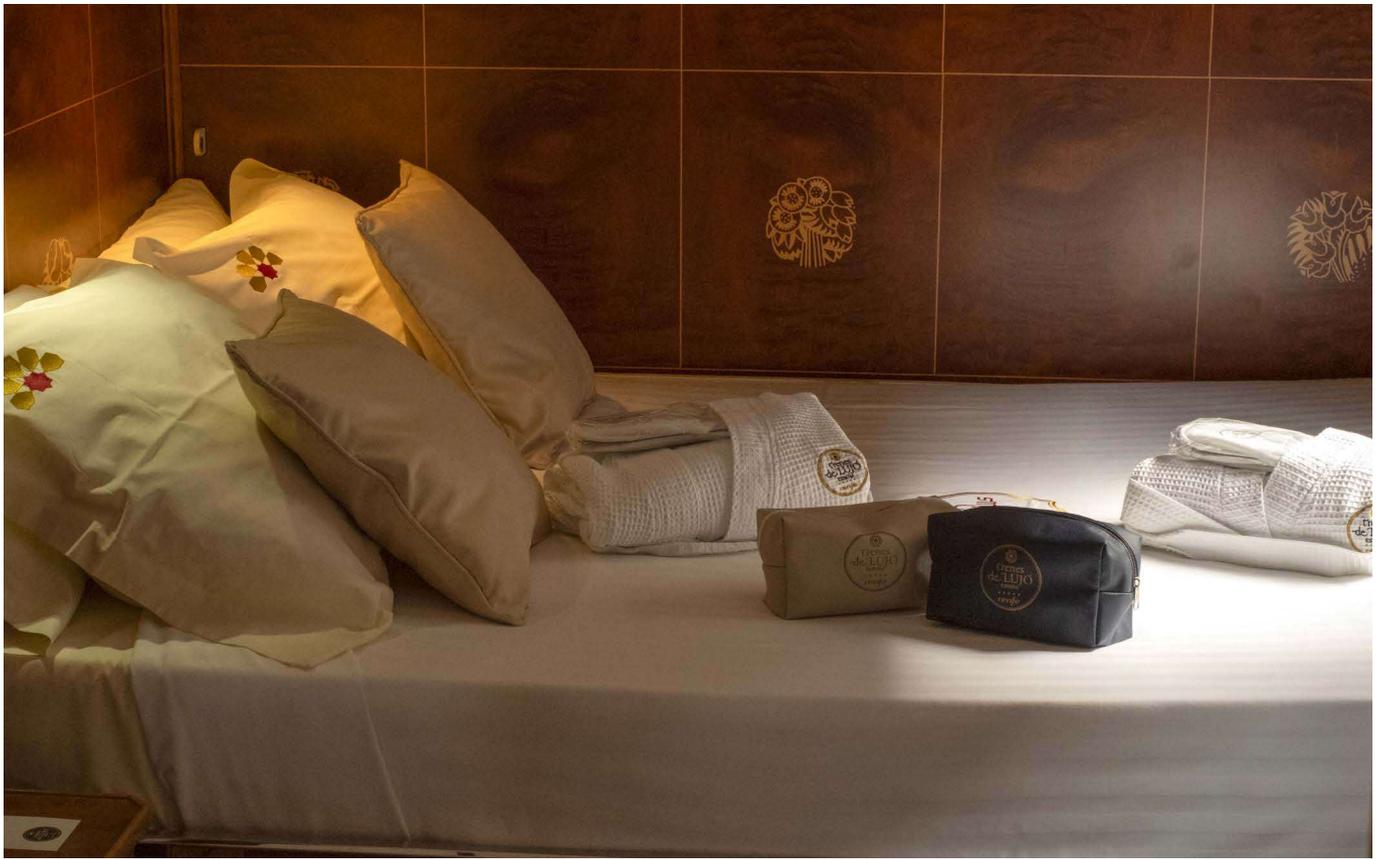

The Deluxe Suite. A spacious, elegant suite, consisting of a bedroom and private bathroom, perfectly suited for rest and privacy. It features a large bed that becomes a comfortable sofa during the day.

The spacious and comfortable bathroom has a shower, hairdryer and a varied set of welcome items and toiletries. A safe, minibar, wardrobe, luggage rack and individually controlled air conditioning are other 21st century comforts that, in this suite, go hand in hand with the

historic train's original appearance. The train features 20 Deluxe Suites.

The Gran Clase Room. This cosy room, which has a private bathroom, features the same size and atmosphere of the original compartments.

It has two single beds that become comfortable armchairs during the day, as well as a minibar, safe, wardrobe, luggage rack and adjustable air conditioning. Its functional private bathroom makes the most of the space, being equipped with a shower, hairdryer and a varied set of welcome items and toiletries. The train has 12 Gran Clase Rooms.

COMMON LOUNGES

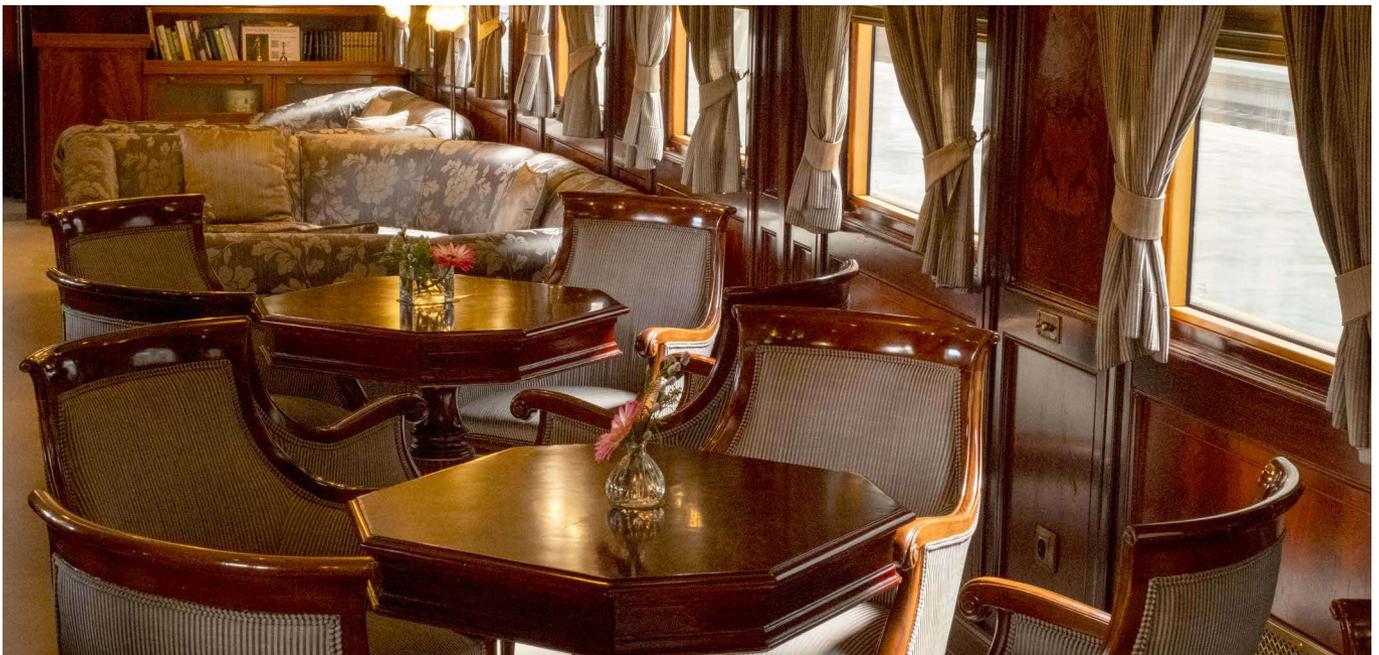

The Al Ándalus Train features four railway gems, its four lounge cars from 1928 and 1930.

These common areas are intended for leisure and the pleasure of travelling on the largest and most spacious luxury train, while enjoying buffet breakfast, lunch or dinner on board, relaxing with a drink, listening to musical performances, contemplating the scenery or simply chilling out in the comfortable armchairs.

All the cars have air conditioning and are open 24 hours a day for your use and enjoyment.

Restaurant cars, bar car, tea room, all at your disposal, as well as the service of the crew along with your Expedition Manager and accompanying guides.

*A modern luxury train that showcases
the beauty of Green Spain*

An exclusive modern luxury train that combines the splendour of the northern landscapes with the comfort and sophistication of a hotel on rails.

Equipped with exquisite suites, signature cuisine and first-class services, this train is the perfect way to live an unforgettable experience as we travel through Asturias, Cantabria, Galicia and the Basque Country, a route full of experiences.

ACCOMMODATION

The Costa Verde Express' 24 Suites are fully equipped so that you can enjoy the most comfortable stay on board.

The Gran Clase Suite is a cosy room lined with noble wood, which provides a warm and welcoming atmosphere.

It features independently controlled air conditioning and a bed, as well as other amenities

that will make your stay even more pleasant: desk, wardrobe, luggage rack, minibar and safe. The Suites have a full private bathroom, equipped with a shower, hairdryer and a varied set of welcome items and toiletries.

During the day, the Suite will be transformed into a comfortable lounge with the bed converting into a sofa, and at night it will revert back into a double bed.

The four lounge cars constitute the train's most unique and beautiful space; they are real railway gems that are admired for their external design, finish and interior decoration.

One of the four lounges has a bar and dance floor where you may enjoy a pleasant evening. Another of the lounges has a second bar for relaxing with a drink.

In the other two lounges you may relax, share a board game, chat or contemplate the scenery.

Passengers are provided with daily newspapers in digital format, magazines, a nice selection of books from the library, and Internet access. In short, everything you need to make your trip a real pleasure, plus a select crew of professionals at your service. In the train's elegant lounges and in restaurants along the route, northern Spain's innovative cuisine and fine wines provide the basis for a gastronomic and cultural experience.
